Project Management
Task Planning

INTEREST

IOT Domain, Health Care, Education

EXPERIENCE

SEP 2024 – SEP 2026

AdMaxLocal

Bangalore, KA, India.

ROLE: *FRONTEND DEVELOPER IN ENGINEERING TEAM:*

Contributed to the development and optimization of **AdMax**, an AI-driven advertising platform, focusing on ad creation, testing, automation, and performance insights.

Played a key role in enhancing the **user experience and ad effectiveness** through front-end development, UI improvements, and close collaboration with cross-functional teams. Led **front-end development** initiatives to build seamless, responsive, and user-friendly interfaces, improving usability and engagement across the AdMax platform.

DEC 2021 – SEP 2024

IMTAC INDIA PVT LTD

Bangalore, KA, India.

ROLE: *UI DEVELOPER IN EMPYREAL UNIVERSE:*

Delivered critical features including a Street Light Map, analytics dashboard with advanced chart visualizations, and asset/statistics listings.

Upgraded Angular projects from CLI version 9 to 16, ensuring performance improvements and compatibility.

Built scalable, modular components using Angular Material and RxJS, following best practices for state management.

Managed full project lifecycle in Agile environments, with CI/CD integration, and maintained production stability for 7+ months without major bugs.

ROLE: *ICT HEALTH (INFORMAL COLLABRATE TRANSFORM) – FULL STACK DEVELOPER*

Build and maintaining software for better patient care using JSF, Oracle and Java and developed a scheduling system and enhanced the patient portal.
